

A MESSAGE FROM THE DIRECTOR OF EDUCATION

Welcome to Prairie South!

On behalf of the Board of Education, I want to welcome you to Prairie South School Division personally. We are very excited to have you join our team and recognize the value you bring to our students and our learning community.

We truly believe Prairie South is a world-class organization where staff want to work and where students want to learn and is an organization that excels at its core business – student wellbeing and learning. We also believe that forming positive relationships is a very valuable part of the working environment. As such, I hope that you enjoy your time with us and build relationships with the people around you.

We recognize that there is a lot to learn in any new position, so please do not hesitate to ask your in-school administrator(s) or immediate supervisor if you have any questions.

I look forward to having the opportunity to meet you while I am visiting schools and facilities. Again, welcome to Prairie South, and I wish you all the best.

Sincerely,

Ryan Boughen
Director of Education
